Goodview Cottages is a seasonal business and therefore it is essential that your reservation be honored. Of course, circumstances beyond a person's control may require a change in scheduled travel plans and we understand this. However, once the season begins it can be difficult to fill a vacancy. Most travelers arriving on the island are pre-booked for lodging. With the results that there is a small percentage of transients seeking accommodations. Once a reservation is made and secured with a deposit, it is a guaranteed reservation.
